**A Karate program for
special kids!**

July 8 — August 12, 2009

SUMMER!**

What is Kicks and Giggles?

Kicks and Giggles is a program that teaches martial arts skills to children who may not be able to excel in a traditional karate program. When enrolled in Kicks and Giggles, children are not taught to spar, but rather learn and develop skills such as motor coordination, balance, strength, attention, discipline and self-regulation. Children will learn basic karate skills in a fun, non-competitive environment that celebrates every achievement! The program consists of 1 hour classes, held once weekly for 6 sessions this summer.

July 8th — Aug. 12th, (Wed.)

The Instructor

Elodie Montivero-Santucci, MS, OTR is a licensed occupational therapist who is certified in Sensory Integration. She holds a 3rd Degree Black Belt in Karate. Elodie is also a 4-time NJ state champion and 7-time national champion. Other honors during her 17-year Karate career included being named All-American and Captain of the USA Junior National Karate Team. Elodie holds a World Record in International Karate as the only woman ever to win 3 gold medals during a single international competition. In 2005, Elodie was inducted into the Long Branch High School Athletic Hall of Fame, her alma mater, for her success in International Karate.
